Dashboard, replacing

Note!

As the illustrations in this service information are used for different model years and / or models, some variation may occur. However, the essential information is always correct.

Removing the dashboard

Remove the battery lead. See [Battery disconnecting](#).

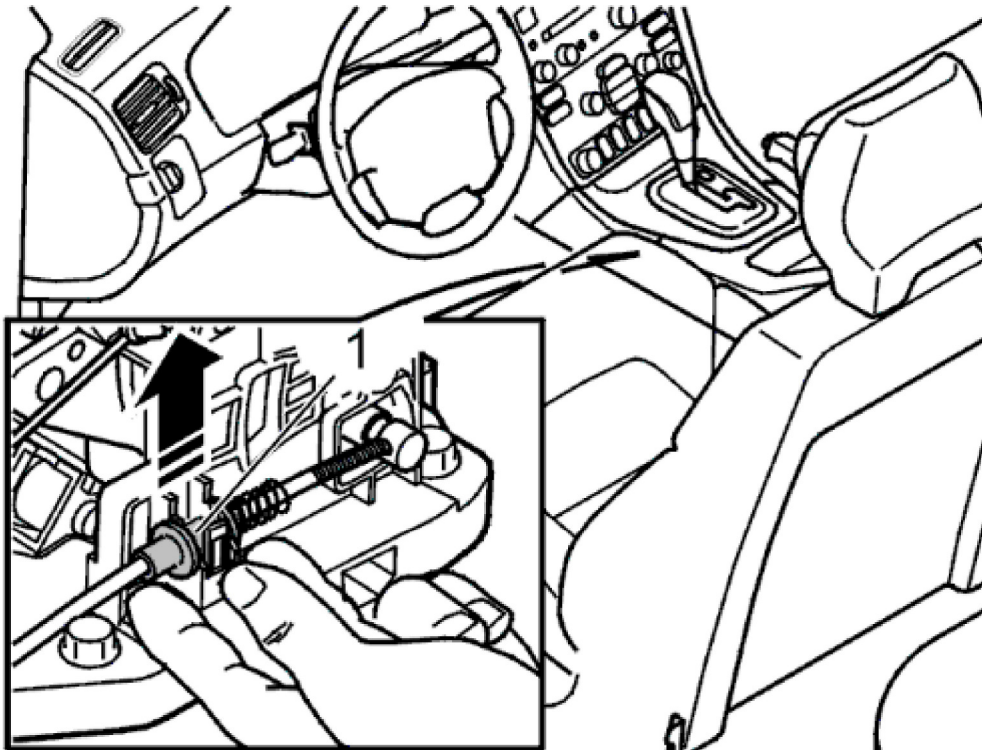

Remove (on both sides):

- the A-post panels. See [Replacing the A-post panel](#).
- the soundproofing panel. See .

Slide the seat backwards.

Remove:

- the courtesy lighting on the driver's side. See [Courtesy lighting, front, replacing](#).
- the on-board diagnostics connector. See [Data link connector \(DLC\), replacing](#).
- the steering wheel. See [Replacing the steering wheel](#).
- the gear selector assembly. See [Gear selector assembly and steering wheel module](#).
- the combined instrument panel. See [Driver information module \(DIM\), replacing](#).
- the center console, see [Center console, replacing](#). (-2004) or (V70 2005-) or (V70XC/XC70 2005-)
- the radio. See [Radio/telephone, changing](#).

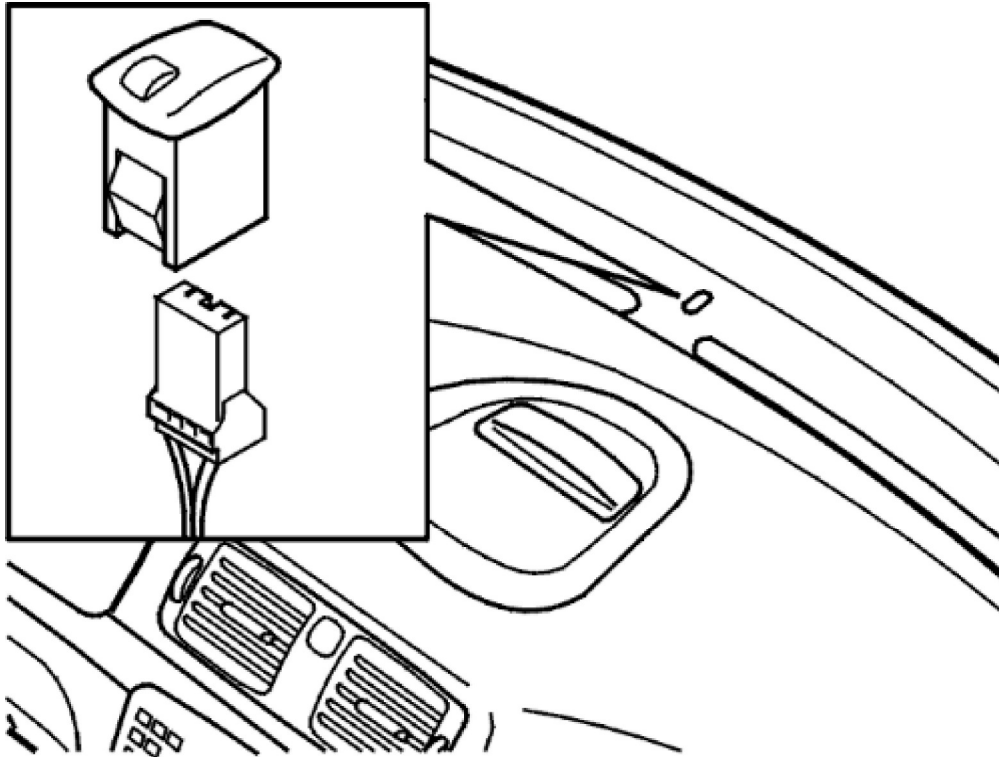

Hint:

Disconnect the mechanical cable for the gear lever lock to facilitate removing the dashboard.

Remove the end covers on both sides.

Installing the dashboard

Lift the dashboard over the gear selector lever.
 Install the brackets for the connectors at the A posts.
 Pull the connector for the sun sensor out through the hole in the dashboard.

Press the dashboard into position. Install the 10 screws (Tighten to **10 Nm**).
 Close the glove compartment lid sufficiently for the gas strut to be installed.
 Press the gas strut into place.

Install:

- the sun sensor
- the connector for the hazard warning signal flasher
- the display screen / loudspeaker. See [Display screen / loudspeaker, RTI \(road traffic information\), replacing](#) .
- the end cover
- the mechanical cable for the gear selector lever knob
- the radio. See [Radio/telephone, changing](#) .
- the center console, see [Center console, replacing](#) . (-2004) or (V70 2005-) or (V70XC/XC70 2005-)
- the combined instrument panel. See [Driver information module \(DIM\), replacing](#) .
- the gear selector assembly. See [Gear selector assembly and steering wheel module](#) .
- the steering wheel. See [Replacing the steering wheel](#) .
- the on-board diagnostics connector. See [Data link connector \(DLC\), replacing](#) .
- the courtesy lighting on the driver's side. See [Courtesy lighting, front, replacing](#) .
- the soundproofing panels. See
- the panels for the A-posts. See [Replacing the A-post panel](#) .
