

# VOLVO TIRE APPLICATION CHART

5/23/2016

The purpose of this chart is to provide dealers with OEM tire specifications for the specified models and years listed below. If the original tire is no longer available, Volvo suggests that their dealers refer to the Volvo Tire Advantage Program for a comparable replacement. Volvo recommends that your replacement tire be consistent in size, speed and load ratings to the OEM tire.

Model	Std vs Opt	Year	Dimension	Load Index	Speed Index	Brand	Prefix	MSPN	Tireline / Description	Notes	
C30	STD	08-13	205/50 R17	93	V	Michelin	MICH	89515	Pilot HX MXM4	Opt for Canada MV12 only
